Theme for 2012

We have joined with My Hero as the theme for 2012. Together, we will promote the universal message of peace to youth around the globe. Who is your hero? Is it a person? Is it an animal? Is it someone in your community or a person in another country? Your Hero can be a person, animal, object, emotion or an element of the earth.

Please visit: www.myhero.com for more information on the My Hero Project.

The mission of The MY HERO Project is to use media and technology to celebrate the best of humanity. By honoring their heroes in essays, art and short films, people of all ages are empowered to realize their own potential to effect positive change in the world.
